Dear XXXXX,

I'm excited to be a two-time Huskie. NIU helped me achieve my dream of working in Chicago as a business valuation manager at FV & FMV Valuation Inc. It just so happens that all of my colleagues are Huskie finance alumni!

As an undergraduate and graduate student, I found the high-quality, challenging and cross-functional curriculum in the College of Business second to none. NIU provided real-world networking opportunities and focused on professional development, which prepared me to advance quickly in my career after graduation.

I'm part of the alumni association and love reconnecting with events, especially the Crocker Program for Emerging Business Leaders.

I'm also proud to carry on my family's Huskie legacy, following in the footsteps of both of my parents and leading the way for two of my brothers to follow. DeKalb feels like coming home. I would love to be the first to welcome you to the Huskie family!

Karli Oosterbaan
